Bremen, 04 April 2019

Ladies and gentlemen,

Since 1995, the cities of Izmir and Bremen have a deeply rooted friendship agreement. Within this friendship, the project "transition" creates a musical link between Greek, Turkish and western music and builds up one of the cornerstones of the cooperation between Izmir and Bremen.

For the success of this project, the cooperation and exchange among musicians from the sister cities Izmir and Bremen is the most important element. Our Turkish partner for the project is Mr. Güvenç Birer, director of the music academy Izmir. Mr. Birer is organizing all workshops and concerts in Izmir in the context of the project "transition".

Sincerely yours,

Andrea Frohmader  
Head of the international office
